# Wall & Ceiling Collection

Single Malt | Finline Profile

## Real wood paneling for walls & ceilings.

Create a healthy and happy home with our wood interior and exterior wall and ceiling paneling collection. This collection includes three product categories: Traditional, an end-matched v-groove profile, Finline, an end-matched penny gap profile and Shiplap, a primed, engineered clear pine tongue and groove profile.

- 15 Year Limited Warranty on Traditional and FineLine
- Tongue and groove allows for easy install
- Factory coated for increased consistency
- Created from high quality, real wood substrate

## Shiplap

### SHIPLAP (Left)

Our Shiplap is created from a fingerjointed clear pine substrate and is factory primed, arriving at your project ready for onsite coating. The refined classic profile features a tongue and groove, making installation simple and quick. This product is for interior applications only!

### TRADITIONAL & FINELINE (Below)

Our Fineline and Traditional paneling products are created from tight knot SPF and are prefinished in a variety of colors. The tongue and groove and end-matched profiles save time on installation and eliminate excessive waste. Install with confidence with our 15 year limited warranty.
